"Never See You"

If you call me right now I would pick up
Cause it's been to long just to give up
Shawty I be lying
If I said... that I never wanna see you again

I made a big mistake baby I know
And if you say you don't love me baby let go
But shawty you be lying
If you said... that you never wanna see me again

Wish I could take it back
Everything I did
Everything I said
All the time we spent
Forever are you in
You said you know that this is love nooo ooh

I grabbed you by the hand
Tears rolling down
We at the finish line
Baby don't give up now
I don't know what to do
I think about you all the time
And baby I know

If you called me right now I would pick up
Cause it's been to long just to give up
Shawty I be lying
If I said... that I never wanna see you again

I made a big mistake baby I know
And if you say you don't love me baby let go
But shawty you be lying
If you said... that you never wanna see me again

Look what we've done
Right now we are half love
Look what we're doing
We're doing this safely

We should slow down

Before we move on
What about nice things
We use to throw away oooh

If you called me right now I would pick up
Cause it's been to long just to give up
Shawty I be lying
If I said... that I never wanna see you again

I made a big mistake baby I know
And if you say you don't love me baby let go
But shawty you be lying
If you said... that you never wanna see me again

I cry to myself baby
No you can't lie to yourself baby
Cause there's a way
I could spend another day
Being on my own baby

If you called me right now I would pick up
Cause it's been to long just to give up
Shawty I be lying
If I said... that I never wanna see you again

I made a big mistake baby I know
And if you say you don't love me baby let go
But shawty you be lying
If you said... that you never wanna see me again
