I'm so into what you giving and it feel so good to me  
You're beautiful and critical it's hard to live without you,  
baby

When I wake up in the morning all I want to see is you  
Heaven's blessing that he sent me unconditional and  
true

Girl you mean the world to me and I hope you  
understand

I will give you anything and I'll do the best I can to  
make you see what I see

One word

Is all I need to say exactly how I feel

One word

A single word that's from the heart and keep sit real

One word

And baby I know this one fits you to a tee

One word

All I can say is amazing

Always there when i was going through all kinds of  
changes

You kept me lifted, said I'm gifted and you know I'm  
gonna make it

So when you're tired and frustrated you can always  
count on me

Girl I love ya and I want ya to know I'll be all you need

Girl you gave the world to me and you made me  
understand

You would give me anything and you do the best you  
can

You are what I hope to be

One word

Is all I need to say exactly how I feel

One word

A single word that's from the heart and keeps it real

One word

And baby I know this one fits you to a tee

One word

All I can say is amazing

One Word  
I just want to celebrate yo, baby  
And thank the Lord for sending you down to me  
And your love is the reason why I believe  
You're amazing  
So amazing  
Just amazing to me

One word  
One word  
One word

One word  
One word  
One word

One word  
One word  
One word

All I can say is amazing

One word  
Is all I need to say exactly how I feel  
One word  
A single word that's from the heart and keeps it real  
One word  
And baby I know this one fits you to a tee  
One word  
All I can say is amazing
