It's snowing  
On this cold December  
And it's just me  
And you  
You know  
We belong together  
All that I do  
You know I'm true

Come warm me up  
It's cold outside  
Let's bundle up  
By the fire  
Come warm me up  
It's Christmastime  
I want to know  
What's your desire

This holiday  
We'll celebrate  
With candlelight  
And champagne  
So come  
A little closer  
Baby  
I've got  
Something for you  
Won't stop  
Until we're through

Come warm me up  
It's cold outside  
Let's bundle up  
By the fire  
Come warm me up  
It's Christmastime  
I want to know  
What's your desire

Kiss me  
Underneath

The mistletoe  
I need you to know  
I'm not going  
Anywhere  
I'll never leave  
You  
You know it's true  
On this Christmas Eve  
Christmas Eve for you

Come warm me up  
It's cold outside  
Let's bundle up  
By the fire  
Come warm me up  
It's Christmastime  
I want to know  
What's your desire

(Chorus 2x)
