If you hear music from down the street,
And you find yourself tappin your feet,
Just ease on by if you want to,
There's only one thing that's expected of you,

Enjoy yourself, have a big time,
Dance a little dance, drink a little wine,
Come on in the water is fine,
Enjoy yourself let it all hang out,
And you'll know exactly what i'm talkin about,
If you come one over without a doubt,
You'll enjoy yourself,

Now you don't have to wonder, what to wear,
What in the world are you doin alone over there,
While we're havin a ball, just shakin it loose,
Now come on sweet baby, there ain't no excuse,

Enjoy yourself, have a big time,
Dance a little dance, drink a little wine,
Come on in the water is fine,
Enjoy yourself let it all hang out,
And you'll know exactly what i'm talkin about,
If you come one over without a doubt,
You'll enjoy yourself,

(chorus)

Enjoy yourself let it all hang out,
And you'll know exactly what i'm talkin about,
If you come one over without a doubt,
You'll enjoy yourself,
So come on over you're gonna really help out,
Enjoy yourself,
