I've been thinkin'
For way too long
Askin' myself
Is lovin' you so wrong
My mind's heavy workin'
Cause my heart needs a rest
And if my grip keeps slippin'
I'll be beggin' to confess

Oh that I want you
I want you near me
With every aching bone
I pray you'll come to me
I want you
I want you forever
I want you forever

I woke from dreamin'
With cracks in my heart
A love unrequited
Two lives lived apart
I wrote it all down once
And now it's your song
And every time I sing it
I'm half as strong

I want you
I want you near me
With every aching bone
I pray you'll come to me
I want you
I want you forever
Oh and I want you forever

One sweet day you'll be callin'
And open wide your lovin' arms
We'll taste the sweet fear of fallin'
As I'm lovin' you, lovin' you, lovin' you

Oh, I want you baby, yeah
With every aching bone
I pray you'll come to me

Oh and I want you
I want you forever
I want you forever
