I heard a funny thing today, that I'm addicted to
Cocaine
But I haven't got the cash, to indulge in those ways
I think I need some time to heal, before I take illicit
drugs
maybe some time as a wanderer, 'though the end will
surely come
But you know it is days like these, that I just wish I
could...
try something new

Gee baby I miss you like you know
But this love became a chore
Could you try to be a business man
and I'll try to be your whore

But you know it is days like these, that I just wish I
could...
try something new
But you know it is days like these, that I just wish I
could...
try something new
