I can feel your heart  
beat beat  
tick tock  
times running out  
And you're heading for a heartbreak  
if you don't do something now  
Cause I know there's no going back this time  
This is crazy  
And we won't make it out alive

I can hear you  
I can feel you  
I can see you  
sweat America  
as you fall down  
I can hear you  
I can feel you  
I can see you  
as you crash into the ground  
We're all watching now  
sweat America

Sweat America  
I can hear the guns  
Bang Bang  
Tick tock  
The end is near  
And your sweating because you're scared  
there is no way back from here  
Cause you know  
there's not going back this time  
this crazy  
and we won't make it out alive  
I can hear you  
I can feel you  
I can see you  
sweat America  
as you fall down  
I can hear you  
I can feel you  
I can see you  
I can see you crash into the ground

We're all watching now  
Sweat America

We're all watching (we're all watching)  
you weep America  
We're all watching you now  
as you bleed America  
We're all watching (we're all watching)  
sweat America  
sweat America  
sweat America

There's no going back this time  
This is crazy  
and we won't make it out alive

I can hear you  
I can feel you  
I can see you  
Sweat America  
as you fall down  
I can hear you  
I can feel you  
I can see you  
crash into the ground  
we're all watching now  
sweat America  
sweat America  
sweat America
