Hey, there you are
underneath it all
I knew you'd never leave me
but it was a close call
and hey, hey ,hey
I can never be your friend
so think, think about it
before you scare me again

and I shouldn't tell you
the last three days are
was so whatever

this is crazy, crazy
this is crazy, yeah, yeah

went so far and we lost the start
and before we knew it
we made it so hard
and hey, hey ,hey
it doesn't matter now
you wanted to love me, you just didn't know how

the last three days,

I couldn't hold you the way I wanted
and I shouldn't tell you
the last three days are
was so whatever

this is crazy, crazy
this is crazy, yeah, yeah

Who says we cant change our minds, yeah
who says, yeah
who says, and
who says, it has to make sense, yeah
who says, who says

this is crazy, crazy
this is crazy, yeah, yeah
this is crazy,crazy

this is crazy, yeah,yeah

You think you'd know now
what you wanting
its time for sure, yeah
and I shouldn't tell you
the last three days are
was so whatever
