I have a friend  
Who's weaker than most  
Every night he goes out  
His pity stays home  
In bed, where his wife lays in shame

He goes down to the bridge  
By his house  
Doesn't do what he's always thought about  
But he'll call me with tears in his eyes

And say son  
Don't follow my ways  
Money changes everyone  
Who gets it someday  
Don't fall or follow my ways  
Money changes everyone  
Money changes everyone  
Someday  
Don't let it change you

I know someone  
With her own separate sky  
Thought the world was a place  
To hold and to hide  
Cut like a thief in disguise

Her concerns are exit signs  
That give her time to escape at night  
Doors, she wish had stayed shut

Love  
Don't follow my ways  
Money changes everyone  
Who gets it someday  
Don't fall  
Or follow my ways  
Money changes everyone  
Money changes everyone  
Someday

Hold me (8x)
