So, I hear it's cold
Up in Chicago
But I wouldn't know

You, told all your friends
That I was no good
and you banished me from

Does it hurt to be alone
You will never know

When You're Gone
I'll be fine
Close my eyes (2x)

So, you bought a house
I heard he's a lawyer
and your parents approve
Do you love him? (2x)

Does it hurt to be alone
You will never know
I could be the one for you
and you could be the one for me
and we could

When You're Gone

I'll be fine, close my eyes

So, I hear it's cold
Up in Chicago
Do you love him?
