(Hook)

eh mala drop it down
drop it down to the ground

eh mala bring it up
let me see what you got

don't stop just keep on moving
rock your body keep on grooving

eh mala ehh ehh ayee
eh mala ehh ehh ayee

(Verse)

God damn shawty looking good
she doing that thing like she from the Hood

she likes it when she brings it down low
then she plays us then she does it once mo

damn how you do it like that
come to the dance flow do it right there

let me see you strip down let me see that
let me see you do that thing right there

yeahh euro Lud once again
coming back go head call your friend

we can go if you really wana jam
you can jump in the back of my van

we can go to the hotel motel
you can find me in the back but don't tell

but first let me see you drop down
do it like a pro and drop it down

(Hook)

eh mala drop it down

drop it down to the ground

eh mala bring it up
let me see what you got
don't stop just keep on moving
rock your body keep on grooving

eh mala ehh ehh ayee
eh mala ehh ehh ayee
(Verse II)

hey now just drop down
if you feeling this just drop it down

lets go we can get some shots
we can drink all night on the rocks

if you feeling me then I'm feeling you
if you want me then I really want you

we can go back to my hotel room
me and you and that girl too

yeahh we can do it like its never done
we can do it all night like a 3 sum

she can come if she really wants to get some
she can have it if she can give some

yeah you know how I like it
drop it down to the floor cuz I like that

you better do it like you can't stop that
you better show me how its done like that yeah

(Hook)

eh mala drop it down
drop it down to the ground

eh mala bring it up
let me see what you got

don't stop just keep on moving
rock your body keep on grooving

eh mala ehh ehh ayee
eh mala ehh ehh ayee
