Young Money  
Good night  
Rise and shine  
Relax yourself  
Body on mine

Red velvet rope  
Burning deep into my skin  
I want to feel it all  
Your touch is like a sin

Baby get carried away  
I don't care what you do  
Don't care when I'm with you boy

Take me down in the dark  
And I want it baby  
I need you to

Take it all off  
Put your body on mine

Body on mine  
Take it all off  
With you I get high  
So high high high

Baby lets take it off  
Yeah let's get it on  
Take take it off  
Yeah you turn me on

Take it all off  
Put your body on mine  
Body on mine  
Na na na ohhh  
Na na na ohhh

Kiss me baby  
I can't refuse it  
You get the green light  
Please don't stop the music

Cause baby tonight I won't keep quiet
