Feelin your body
even when im alone
(When Im Alone)
Missin your touch
comin out strong
(Comin out strong)
Your kisses all over my neck
in the zone, Boy its on
even when your gone
(Gone, gone, gone, gone)

We can do it fasto
we can do it slow-mo
do it international
we can keep you loco
however you want it
its how you got it
just let me know
if you want it,
then you got it
just let me know

Wherever i go
i always hear you callin me
wherever i go
im always feeling your heart beat
I need you here
right next to me
(next to me)
Wanting to turn this into reality
Just want that lovin
you know what i mean
cause together is where we should
bre-bre-bre-Breath

We can do it fasto
we can do it slow-mo
do it international
we can keep it loco
however you want it
its how you got it
just let me know

if you want it,
then you got it
just let me know

Wherever i go
i always hear you callin me
wherever i go
im always feeling your heart beat
