Verse 1:

It's war, she said,  
As she turned on the T.V set  
Tuned in, through the snow  
To the nightly news reel show

Verse 2:

Where a voice confirmed our fears  
As she stifled back the tears  
And declared she'd watched the highlights  
On T.V!

Pre-Chorus:

Count to three I'll be back home soon  
Count to threeeee

Chorus:

What gods are these?  
To justify these deeds  
Not mine, I'm sure  
Could this really be the cure?

Chorus 2:

They'll be dancing in the streets  
And kissing our boys' feet  
Till blood begins to flow  
On your breakfast T.V show

Verse 3:

We flew for hours  
And we all took communal showers  
And we wondered at the heat  
As our boots melted to our feet

Verse 4:

And I donned my armored vest  
Walked out with all the rest

Straight into what I thought must be  
a dream!

Pre-Chorus:

Count to three I'll be back home soon

Count to threeeee

Chorus:

What gods are these?

To justify these deeds

Not mine, I'm sure

Could this really be the cure?

Chorus 2:

They'll be dancing in the streets

And kissing our boys' feet

Till love begins to flow

On your breakfast T.V show
