Meet me after dark again and I'll hold you  
I am nothing more than to see you there

Refren: And maybe tonight,  
we'll fly so far away  
We'll be lost before the dawn

If only night can hold you where i can see you, my love  
Then let me never ever wake again

Refren: And maybe tonight,  
we'll fly so far away  
We'll be lost before the dawn

Somehow i know that we can't wake again from this  
dream  
It's not real but it's ours

Refren: x2 maybe tonight,  
we'll fly so far away  
We'll be lost before the dawn
