You don't remember me but I remember you=]
I lie awake and try so hard not to think of you=]
But who can decide what they dream? and dream I
do....

I believe in you.....
I'll give up everything just to find you
I have to be with you
To live, to breathe, you're taking over me

Have you forgotten all i know and all we had?
You saw me mourning my love for you
And touched my hand
I knew you loved me then

I believe in you.....
I'll give up everything just to find you
I have to be with you
To live, to breathe, you're taking over me
I look in the mirror and see your face
If i look deep enough
So many things inside that, just like you, are taking
over

I believe in you.....
I'll give up everything just to find you
I have to be with you
To live, to breathe, you're taking OVER ME

I believe in you.....
I'll give up everything just to find you
I have to be with you
To live, to breathe, you're taking over me

(Taking over me)....Your taking over me
(Taking over me).....Taking over me...
