Catch me, as i fall  
Say your here and its all over now  
Speaking into the atmosphere  
No ones here and i fall into myself

This truth, drives me  
Into madness  
I know i can stop the pain  
If i willed it all away,  
If i willed it all away....

Dont turn away  
Dont try to hide  
Dont close your eyes  
Dont turn a blind

Never sleep never die....

I'm frightened by what i see  
But somehow i know  
That there's much more to come

immobilized by my fear  
I seem to be blinded by tears

I know i can stop the pain  
If i willed it all away,  
If i willed it all away....

Dont turn away  
Dont try to hide  
Dont close your eyes  
Dont turn a blind

never sleep never die

Fallen angels at my feet  
Whispered voices at my ear  
Death before my eyes  
Lying next to me i fear  
The strange sensation that i feel  
Before my end now i shall give

Forsaken all im fallen for  
I rest myself in darkness  
Dont turn away  
Dont try to hide  
Dont close your eyes  
Dont turn a blind

Dont turn away... yea yea  
Dont try to hide  
Dont close your eyes  
Dont turn a blind

Dont turn away...yea  
Dont try to hide  
Dont close your eyes  
Dont turn a blind
