Half of my mistakes I made stone cold sober
Half of my mistakes I made at closing time
Half the time I never saw it coming until it was over
Yeah, half of my mistakes I made put love on the line

Half of my mistakes I made 'cause I was moving too quickly
Yeah, half of 'em were made 'cause my heart was moving to slow
Nobody can tell you a damn thing if you ain't listening
Half of my mistakes I made because I couldn't let go

And if I had it all to do over
I'd probably win and lose just as much
Spend less time on right and wrong and a lot more time on love

And if I had it all to do over
I'd probably win and lose just as much
Spend less time on right and wrong and a lot more time on love

Half of my mistakes I'd give anything to change how it ended
Half of my mistakes, God I wouldn't change a thing
You can lean too hard on regrets but I don't recommend it
'Cause half the good things in my life came from half of my mistakes
Yeah a lotta good things in my life came from half my mistakes

Half my mistakes.....
Half my mistakes.....
Half my mistakes.....
