I'm bouncin' off the wall like an ol' Jack Rabbitt  
My heartbeats racin' outta control  
Well I'm in to you like an old bad habit  
Well I feel like a pris'ner just got paroled

I gotta have it  
I'm an addict  
You know that I can never give you up  
My hands are shakin'  
My body's achin'  
For ev'ry single drop of your love  
In my condition there's no remission  
Baby your my favorite drug  
I cain't function  
You got somethin'  
I gotta have it

Well you look so good given' me the jitters  
Honey I'm on fire ev'ry time we touch  
Like a lifetime chain smoker I'm a no quitter  
Cause lovin' you it is such a rush

I gotta have it  
I'm an addict  
You know that I can never give you up  
My hands are shakin'  
My body's achin'  
For ev'ry single drop of your love  
In my condition there's no remission  
Cause baby your my favorite drug  
I cain't function  
You got somethin'  
I gotta have it

I gotta have it  
I'm an addict  
You know that I can never give you up  
My hands are shakin'  
My body's achin'  
For ev'ry single drop of your love  
In my condition there's no remission  
Darlin' your my favorite drug

I cain't function  
You got somethin'  
I gotta have it

Ugh I gotta have it
