Theres a ghost in my bedroom (bedroom)
Theres a presence I can't explain
I see gold on the windowpane
And shes screaming my name out in someone else's
bedroom

You're so gullible
so uncomfortable
I'm articulating
And anticipating every single move
I'm gonna make

Alright now girl I just wanna hear you sing
I'll be just as mature as you can be
I'll make you hang on every word I say
Just Dont let go dont let go dont let go dont let go
Make me believe you're innocent
Make me believe I'm the only one
Just for the night why dont you make it hurt
Come on you know i like it when you make me work

You're so gullible
so uncomfortable
I'm articulating
And anticipating

You're so gullible
so uncomfortable
I'm articulating
And anticipating every single move
I'm gonna make

Girl I just wanna hear you sing (you sing)

You're so gullible
so uncomfortable
I'm articulating
And anticipating every single move
I'm gonna make

Oh you're so gullible

so uncomfortable
I'm articulating
And anticipating every single move
I'm gonna make

You're so gullible
so uncomfortable
I'm articulating
And anticipating every single move
I'm gonna make
