don't you worry, Jocey-star
one day you'll learn how to play guitar
then he'll show up,
give you the attention that you need
yes, that boy will look at you and see
what he saw before

going to the woods
and watching for UFOs
we both know what it's like to be used
thank you for being you!

"humpty-dumpty" sat in the park
walks with Becca in the dark
you would always understand
'cause you've been there before
yeah, you've been there before

going to the woods
and watching for UFOs
we both know what it's like to be used
thank you for being you!

don't you worry, Jocey-star...
