Everybody falls off the track
There ain't one road there ain't one map come on

Keep the light on

Been gone so long my jeans are faded
I've seen this world man it's over-rated come on

Yeah, baby, keep the light on
Cause I'm coming home tonight
Yeah, I'm coming home tonight

Put on that dress the red one I gave you
Lets spend all night get reacquainted
Come on, keep the light on

Call the boys tell them all I'm coming
Save my seat get that jukebox humming

Come on, yeah, baby. keep the light on
Cause I'm coming home tonight
Yeah, I'm coming home tonight

Well, now is the time lets take a chance
Lets take the world by the seat of its pants
Lets make some noise lets make it last
Just give me a sign, baby, keep the light on
Shake the stands and wake the stadium
I'm rounding third and I'm coming home come on
Keep the light on

Call my folks and call the papers
I'm on my way and this time im staying

Come on keep the light on
Cause I'm coming home tonight
Yeah, I'm coming home tonight

Well, now is the time lets take a chance
Lets take the world by the seat of its pants
Lets make some noise lets make it last
Just give me a sign baby keep the light on

Lets take it as we go
Lay in the green grass watch it grow
Lets dance close nice and slow
Cheek to cheek and toe to toe
Make angels in the snow
Were doing it all when I get home
So baby, baby, baby, keep the light on
