Freddy Freddy Freddy Freddy
Freddy Freddy Freddy Freddy
Freddy Freddy Freddy Freddy
Freddy Freddy Freddy Freddy

Freddy Krueger's the name
You know my game
Elm Street's the place
You got the time
Listen to this
You'll bust a rhyme

Fred Krueger the myth
Or Fred Krueger the man
Doesn't matter cause I'm still
Rapping bout him understand?
So sit back Jack, I'm gonna bust a rhyme
Grab a hold of your friends, it's Krueger time!

It's time for Freddy
See I'm a popular guy
If you don't know yet
You're gonna find out why

With a place with Elm Street
Late one night
I know you like a ghost town
I wanted to fight
With a hat like a vagabond
Standing like a flasher
Mr. Big Time
Fred Krueger, dream crusher
Trying to find a girl to fit his fancy
Not once, not twice
But three times, Nancy!
All the people sleeping, snoozing and dreaming
While Krueger's on the corner of Elm Street scheming
Ha they better wake up and listen to this
Because the blades on Freddy Krueger's hands don't
miss!

Nancy: D-d-d-don't fall asleep

One a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down, stay away from the
dark
Watch out for Freddy, and bust a rhyme
Two a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down stay away from the
dark
Watch out for Freddy and bust a rhyme

Freddy: I'm here...

Even if our dreams or dream warriors fail
And Mr. Big Time, Freddy Krueger prevails
It was just prime time, I know you'll never forget
What he did to the girl with the TV set
But you can't stop Freddy looking cool as ice
Comes right back at ya to slash and slice
Like a jitsu blade, like a blender, he'll blitz ya
Fred Krueger's putting on a ritz

Three a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down stay away from the
dark
Watch out for Freddy and bust a rhyme

Three a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down stay away from the
dark
Watch out for Freddy and bust a rhyme

Thrillin'!
Young ones, old ones, yo mamas too
And if you don't watch out, I'm gonna thrill you too
So my advice to you is to...stay ready
'Cause you know who's back? Freddy!
You see my name is Freddy and I'm here to say
I'll wrap you up and take you all away!
So if you feel like your tired and ready for bed
Don't fall asleep or you'll wake up dead!

Three a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down stay away from the
dark
Watch out for Freddy and bust a rhyme

Three a.m. and Freddy's here
On MTV, gonna bust a rhythm
When you see him coming down stay away from the
dark
Watch out for Freddy and bust a rhyme
