Prince Markie Dee's rap
Now baby listen to what I have to say
And if you don't want to I'll say it anyway
Now I once had a lady she was so fly
She was my girl and I was her guy
Now I loved that girl with all my heart
But little by little she would tear it apart
I'm talking \$10 here \$100 there
She wasn't ashamed she'd ask me anywhere
She was one of those girls who didn't give a hoot
And tore my heart from the vine stem and root
Then I met you and you met me
Now you're the brand new Ms. Markie Dee
And all I ask is that you treat me right
Through every lasting day and night
And I'll give you what you want
And in the right way
And there's one more thing I have to say
Don't you dog me
(Human Beatbox barking)
Kool Rock-Ski's rap
I'm Kool Rock-Ski the dominating MC
Master of Disaster
The Chief of the East
A lime to a lemon
A lemon to a lime
I'm the MC with the fresh rhymes
And when I'm on stage and ladies screaming for me
Cause I'm the capital K known as Kool Rock-Ski
Better than best I'm MC successor
When I'm on the mic I cause a disaster- Go!
(you know I love you-u)
(because I'm in love with you)
(I am the Human Beatbox)
