Hee hee hee hee hee hee hee, Twist  
Aah, we're back

Come on baby, let's do The Twist  
Come on baby, let's do The Twist  
Take me by my little hand and go like this

The party was packed, I'm talkin' back to back  
There was a rapper that was rappin' to a beat that was  
Wack  
They was going through the motions out on the dance  
Floor  
An' when the rapper was done they wasn't yellin'  
encore  
The people were tired of the same old groove  
They wanted something def, something new and  
improved  
Something easy to do but hard to resist  
I got something for y'all, what do you call it? The  
Twist!

Come on baby, let's do The Twist  
Chubby Checker and the Fat Boys, we're doin' The  
Twist  
Take us by our little hands and go like this

We, we, we broke into the booth and the record stacks  
Came up with The Twist and we were scratchin' the  
track  
People started jammin' hard to the funky sound  
Did The Twist down and up, then up and down  
Then I heard somebody yell: "Yo Chubby's here"  
The people took a little pause just to stop and stare  
He said: "I'll show you people how to Twist with style  
'Cause I've been doin' The Twist for a long long while"

Oh you should see Prince Markie Dee  
Check out that Kool Rock is rockin' like me  
Here comes B-Beat Box, come on, do it Buffy

Com' com' com' come on baby

Com' com' com' com' come on baby  
Ooh ooh do do do The Twist  
Ooh ooh do do do The Twist

Come on baby, let's do The Twist  
Chub and the Fat Boys, we're doin' The Twist  
Take the world by the hand and do The Twist

Chubby took my sister down to the dance floor  
Did The Twist so def, the crowd yelled for more  
So I pulled it with my mussle, did my flow with my coil  
And when Buff did the Limbo we was rockin' the world

Come on baby, let's do The Twist  
Chubby Checker and the Fat Boys, we're doin' The  
Twist  
Take the world by the hand and go like this

Hey hey, England, do The Twist, Twist  
And France, do The Twist, Twist  
Ha ha ha, Holland, do The Twist, Twist  
And Germany, do The Twist, Twist  
And all over Europe, do The Twist, Twist, do The Twist,  
Twist

(Ha ha ha ha) come on baby  
(Twist to the left, Twist to the right) let's do The  
Twist  
(Twist up and down, Twist all night)  
Chubby Checker (come on, come on) and the Fat Boys  
(Come on, come on, come on, come on) we're doin'  
The  
Twist  
(Come on, come on, come on) take us by our little  
hands  
And go like this

Oh yeah, and do The Twist  
Yeah, just like me  
Ooh yeah, and do The Twist  
Oh yeah
