We don't need no  
no religious man  
to preach us on  
a sacred book  
that tells us what to do

cause we've got  
a politician man  
to preach us on  
his beliefs and tell us what to do

I be he knows  
just what's best for us  
So I guess its worth  
shedding all this blood

Let round them scriptures one by one  
and lets throw them down the well

lets soak in lies  
and drink the blood  
of the righteous men

You don't need no  
no fathers for your child  
to preach him on  
his beliefs of what's a real man  
cause we got  
a politician's child  
BIG TEXAN HORNS  
and his beliefs  
on what's a real man

I bet he knows  
just what's best for us  
so i guess its worth  
shedding all this blood

lets round them up and one by one  
let them fathers burn in hell

Lest soak in lies

and drink the blood  
of the righteous man
