I really want this, you have explored it,  
So I give it to you what I love  
False accusations, leave us to places that I didn't want  
to go in  
And I thought I knew better but you was so clever  
You hear that you form of you

And this sucks for you, I ain't plan it till your , escapes  
How did I ever date you? From the way you look , got  
more to give  
Trying to get me down on your level,  
you can push scratch pull through whatever  
I'm just gonna chill on the sun  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I'm doing me

I guess it's back to the club, back to them drinks and ,  
to this love, yes  
Cause I'm single now, and I don't give a fuck this time  
I'm , now  
, cause .. lost this here, and I can never get it back I lost  
those tears  
And I don't lost some years but you can never get it  
back my love has clear, yea  
And now it sucks for you, it's hell on earth tell me what  
you gonna do, ha  
Tell me what you gonna do  
Now put your middle finger up if you don't give a fuck

And this sucks for you, I ain't plan it till your , escapes  
How did I ever date you? From the way you look , got  
more to give  
Trying to get me down on your level,  
you can push scratch pull through whatever  
I'm just gonna chill on the sun  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I'm doing me

I did it right this you asked for it  
So I gave it to you  
She , to destroy us, but this ship sailed long ago, ago,  
ago  
No more to hold on, no, no, no, no, no  
I'm doing me

And this sucks for you, I ain't plan it till your , escapes  
How did I ever date you? From the way you look , got  
more to give  
Trying to get me down on your level,  
you can push scratch pull through whatever  
I'm just gonna chill on the sun  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I'm doing me  
And this sucks for you, I ain't plan it till your , escapes  
How did I ever date you? From the way you look , got  
more to give  
Trying to get me down on your level,  
you can push scratch pull through whatever  
I'm just gonna chill on the sun  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I don't give a fuck  
I'm doing me, I'm doing me.

Thanks to Andrei
