From the moment I met you,
you were one of my best friends.
In the order of my friends, you were number 1.
We were friends even around the toughest bends.

Then one day in February,
I believe its called Valentine's Day.
I started drawing hearts on my notebook,
And I had something new to say.

I had fallen in love
Of course-with you.
I had fallen in love,
This feeling felt so new.

Then one day in March,
Oh, that dreadful day!
Someone spread a rumor so harsh,
That it sent you flying away!
And it's all because of Valentine's Day!

Thing's started getting rough,
And our friendship changed.
Life was so-oh tough,
And I wished I could throw it away.
Oh, I could throw it away!

And it's all because of Valentine's Day!

I hope things will get better,
Oh, and if they don't,
I don't know what I'll do-oo!

And it's all because of Valentine's Day!

Valentine's Day...
