Opening Piano:

Guitars:

Verse1:

I think I see the sun shining,

Thru your eyes,

Your blue eyes,

No disguise.

Let's raise it up,

It's time to live again,

To your old friend,

Moving forward, with you,

And we stand, in the downtown nights,  
Make your stand.

Guitars:

I moved along a line drawn,

In my heart,

Where does it start?

What will this become ohhh?

I'm in to deep, to know,

No secrets to keep,

With nobody to love,

And nobody for me, but here you are,  
And we stand, in the downtown nights,  
Make your stand.

Guitars:

Ah Vole ah viola,

Blue!

It's Alright!

It's your Life,

It's your Right,

It's your Right,

It's your Night.
