Good Morning Rock City,  
Good morning today,  
Work a little harder,  
Work a little smarter,  
Work everyday.

I was born in the city,  
And raised on the plains,  
Bought a new starter,  
Moved a little farther,  
To find fortune and fame.  
Gonna make my name...

Good Morning Rock City,  
Good morning today,  
Work a little harder,  
Work a little smarter,  
Work everyday.

And I learned to be a fighter,  
When my money grew tighter,  
So I got a little worried,  
And I'm in hurry,  
Be very afraid...  
Gotta make my way...  
Good Morning Rock City,  
Good morning today,  
Work a little harder,  
Work a little smarter,  
Work everyday.

Now everyone says, hey man, what's your name?  
Comon...

Theres a diamond out on the water,  
That has no name,  
She lives in a fancy cage,  
And is very tame.

And she'll make you pay,  
Should ever ever ever go that way.  
So you better stay.

Good Morning Rock City,  
Good morning today,  
Work a little harder,  
Work a little smarter,  
Work everyday.
