Were on fire,  
Never been lighter,  
Been moving all day and,  
Never even had to stay.

The late night,  
It never ever ends right,  
But we'd form the line,  
And carry on our way.

Yes we are,  
We are,  
The Desert Knights.

Yes we are,  
We are,  
The Desert Knights.

Now were rollin,  
Moving south,  
And we keep to the money,  
But the money is in the sand.

It's not fates plan,  
They thought they had me,  
But they were taken down,  
Before the metal even hit the ground.

Yes we are,  
We are,  
The Desert Knights.

Yes we are,  
We are,  
The Desert Knights.
