And I don't know why,
But it seems tonight,
That the whole world has passed,
us by.

I'd grab your hand,
and we'd walk again,
while the people,
just drive on by.

Oh What's New,
What's New,
What's New,
What's New...

When the summers here,
and we'd laugh again,
Writing,
were only friends.
Then the fall sends,
And a book begins,
And the girls just,
fade fade away...

Oh What's New,
What's New,
What's New,
What's New...

For me and you,
It's what we do,
Me and you,
We'll make it thru.

Me and you.
