# "Hurry Make Love"

Visit "[Hurry Make Love](#)" on MotoLyrics.com

Don't leave me at home too long, don't let me fall  
asleep unsung

Don't stay up with your damn T.V., somebody else  
might make love to me

Chorus:

Hurry, hurry, hurry make love to me

Hurry, hurry, hurry make love to me

I don't believe in lying low, I don't watch all that tall  
grass grow

Don't believe in darning socks, I just believe in love  
talks

Chorus - now

(Solo)

Chorus repeats 2x
