Reste près de moi
Ton souffle est ma voix
Qui sussure à peine
Qui ose deviner qu'on s'aime

Toi bulle d'amour
Une faille au grand jour
Two worlds collided
And they could never tear us apart

We could live
For a thousand years
But if I hurt you
I'd make wine from your tears

And I told you
I told you we could fly
Cause we all have wings
But some of us don't know why

Bulle d'amour
You were there
Two worlds collided
And they could never tear us apart

We all have wings, we all have wings
But some of us don't know why

I was standing
You were there
Two worlds collided
But they could never tear us apart

You were standing
I was there
Two worlds collided

And they could never tear us
Never tear us apart

(T'aimer) I was standing
(Toujours t'aimer) You were there
(T'aimer) Two worlds collided
(Toujours t'aimer) And they could never, they could never, they could never tear us apart

They could never tear us apart
