You say you feel life, down
Always down
Against the grave
You are
You say it's real life, down
Always down
Against the grave
We are

Maybe it's soft inside of hard
Fistful of mercy
Maybe it comes from where we are
Land of the thirsty, hungry
Lion heart

You say you feel life, down
Always down against the grave
We are
You say it's real life, down
Always down against the grave
You are

Maybe it's soft inside of hard
Fistful of mercy
Maybe it comes from where we are
Maybe it's soft inside of hard
Fistful of mercy
Maybe it comes from where we are

Land of the thirsty, the hungry

We have a way of saving our own lives
We have a way of saving our own lives
We have a way of saving our own lives, our own lives,
our own lives, our own lives, our own lives

Maybe it's soft inside of hard
Fistful of mercy
Maybe it comes from where we are
Land of the thirsty, hungry

We have a way of saving our own lives

We have a way of saving our own lives
We have a way of saving our own lives, our own lives,
our own lives, our own lives, our own lives, our own
lives, our own lives, our own lives, our own lives
