Times have changed  
And we've often rewound the clock  
Since the Puritans got a shock  
When they landed on Plymouth Rock.  
If today, any shock they should try to stem,  
'Stead of landing on Plymouth Rock,  
Plymouth Rock would land on them.  
In olden days a glimpse of stocking  
Was looked on as something shocking  
Now heaven knows, anything  
goes  
Good authors too who once knew better words  
Now only use four letter words writing  
prose  
Anything goes  
The world has gone mad today  
And good's bad today  
And black's white today  
And  
day's night today  
When most guys today that women prize today

Are just silly gigolos

So though I'm

not a great romancer

I know that you're bound to answer

When I propose, anything goes
