Blue Moon

You saw me standing alone

Without a dream in my heart

Without a love of my own

Blue Moon

You know just what I was there for

You heard me saying a prayer for

Someone I really could care for

And then there suddenly appeared before me

The only one my arms will hold

I heard somebody whisper please adore me

And when I looked to the Moon it turned to gold

Blue Moon

Now I'm no longer alone

Without a dream in my heart

Without a love of my own

And then there suddenly appeared before me

The only one my arms will ever hold

I heard somebody whisper please adore me

And when I looked the Moon had turned to gold

Blue moon

Now I'm no longer alone

Without a dream in my heart

Without a love of my own

Blue moon

Now I'm no longer alone

Without a dream in my heart

Without a love of my own
