Comes a rainstorm, put your rubbers on your feet

Comes a snowstorm, you can get a little heat

Comes love, nothing can be done.

Comes a fire, then you know just what to do

Blow a tire, you can buy another shoe

Comes love, nothing can be done

Don't try hiding, cause there isn't any use

You'll start sliding, when your heart turns on the juice

Comes a headache, you can lose it in a day

Comes a toothache, see your dentist right away

Comes love, nothing can be done

Comes a heatwave, you can hurry to the shore

Comes a summons, you can hide behind the door

Comes love, nothing can be done

Comes the measles, you can quarantine a room

Comes a mousey, you can chase it with a broom

Comes love, nothing can be done

That's all, brother, if you ever been in love

That's all, brother, you know what I'm speaking of

Comes a nightmare, you can always stay awake

Comes depression, you may get another break

Comes love, nothing can be done

Comes love, nothing can be done

Comes love, nothing can be done

Comes love,

Comes love,

Comes love,

Comes love,
