[Ella]

April skies are in your eyes
But darling, don't be blue

Don't cry,
Oh honey please
Don't be that way

Clouds in the sky
Should never make you feel that way

The rain
Will bring the violets of May
Tears are in vain So honey please don't be that way

As long as we
See it through
You'll have me
I'll have you

Sweetheart
Tomorrow is another day
Don't break my heart
Oh honey, please don't be that way

[Louis]

Don't cry,
Oh honey please
Don't be that way

Clouds in the sky
Should never make you feel that way

The rain
Will bring the violets of May
Tears in vain
So honey please don't be that way

As long as we
Will see it through
You'll have me

And I'll have you

Sweetheart

Tomorrow is another day

Don't break my heart

Oh honey, please don't be that way

Don't cry

Don't cry, don't cry

Oh honey, please don't be that way

Oh honey, please don't be that way

Clouds in the sky

Dig those crazy sky

Should never make you feel that way

So don't be that way

Dig the rain

Pitter pitter pitter pitter patter

Bring the violets of May

Pitter patter of the rain drops

Tears in vain

Tears, tears

So honey please don't be that way

Don't be that way

As long as we

(scat)
