Don't Be That Way

Ella Fitzgerald / Louis Armstrong

from "The Complete Verve Recordings"

Benny Goodman, Edgar Sampson, Mitchell Parish

[Ella]

April skies are in your eyes

But darling, don't be blue

Don't cry,

Oh honey please

Don't be that way

Clouds in the sky

Should never make you feel that way

The rain

Will bring the violets of May

Tears are in vain So honey please don't be that way

As long as we

See it through

You'll have me

I'll have you

Sweetheart

Tomorrow is another day

Don't break my heart

Oh honey, please don't be that way

[Louis]

Don't cry,

Oh honey please

Don't be that way

Clouds in the sky

Should never make you feel that way

The rain

Will bring the violets of May

Tears in vain

So honey please don't be that way

As long as we

Will see it through

You'll have me

And I'll have you

Sweetheart

Tomorrow is another day

Don't break my heart

Oh honey, please don't be that way

Don't cry

Don't cry, don't cry

Oh honey, please don't be that way

Oh honey, please don't be that way

Clouds in the sky

Dig those crazy sky

Should never make you feel that way

So don't be that way

Dig the rain

Pitter pitter pitter pitter patter

Bring the violets of May

Pitter patter of the rain drops

Tears in vain

Tears, tears

So honey please don't be that way

Don't be that way

As long as we

(scat)

Will see it through

(scat)

Oh baby, you'll have me

(scat)

And I'll have you

(scat)

Sweetheart

(scat)

Tomorrow is another day

Tomorrow is another day

Don't break my heart

(scat)

Oh honey, please don't be that way

(scat)

(scat)

Oh honey, please don't be that way

(scat)

Clouds in the sky

(scat)

Should never make you feel that way

(scat)

(scat)

Honey, please don't be that way

(scat)

Clouds in the sky

(scat)

Oh honey, please don't be that way

No honey, I'll never be that way
