I know too well that I'm just wasting precious time

In thinking such a thing could be

That you could ever care for me

I'm sure you hate to hear

That I adore you, dear

But grant me

Just the same

I'm not entirely to blame

For love

You'd be so easy to love

So easy to idolize

All others above

So worth the yearning for

So swell to keep every homefire burning for

We'd be so grand at the game

So carefree together

That it does seem a shame

That you can't see

Your future with me

'Cause you'd be oh, so easy to love
