Good morning heartache

You old gloomy sight

Good morning heartache

Thought we said goodbye last night

I turned and tossed until it seems you have gone

But here you are with the dawn

Wish I forget you, but you're here to stay

It seems I met you

When my love went away

Now everyday I stop I'm saying to you

Good morning heartache what's new

Stop haunting me now

Can't shake you no how

Just leave me alone

I've got those Monday blues

Straight to Sunday blues

Good morning heartache

Here we go again

Good morning heartache

You're the one

Who knows me well

Might as well get use to you hanging around

Good morning heartache

Sit down
