Verse 1

I've been trying to get you to see things all my way
forty days now ooh since you left and I know that you'll
probably keep away

I said

Chorus

Oh what a lovely day
Breakin the chains of love
I'm hoping that you won't find a new love
Cause I know that baby your mine.

Cant you see that you're mine
Oh can't you see, can't you see that your mine.

Verse 2

You been ly'in and cheat'in
And Foolin around mess'in around all over town, no
way
I'm gonna find you and make you god damn pay

I said

Chorus

Oh what a lovely day
Breakin the chains of love
I'm hope's that you won't find
A new love
Cause I know that baby your mine

Cant you see that you're mine
Oh can't you see can't you see that your mine.

Verse 3

I've been trying to forget you
The pictures they won't fade

Forty days now ooh since you left me
and I know that these tears will wipe away

I said

Chorus

Oh what a lovely day
Breakin the chains of love
I'm hope'in that you won't find a new love
Cause, I know that baby your mine

Outro

Cant you see that you're mine
Oh can't you see, can't you see that your mine

Cause I know that baby you're mine,

Cant you see that you're mine
Oh can't you see, can't you see that your mine

Cause I know that baby you're mine..
