Your tear drops fade  
and then I saw  
your hands in the pocket.  
'Cuz you were always made to want it all  
but now you got to make it on your own  
This ain't your home.  
So I'm shown' you the door, wave goodbye  
now its time for you to go

Don't come back anytime  
I've already had your kind  
This is you pay back  
MoneyGrabber  
Don't come back anytime  
You've already robbed me blind  
This is you pay back  
MoneyGrabber

Through rhinestone glass  
All I see  
You talkin' double  
Like the time you said could you buy it for me  
'Cuz i'm in trouble  
Here's my advice  
I don't pay twice for the price of a cheap dime whore

Don't come back anytime  
I've already had your kind  
This is you pay back  
MoneyGrabber  
Don't come back anytime  
You've already robbed me blind  
This is you pay back  
MoneyGrabber

One, two, three

One,  
Is for the money  
Two, is for the greed  
Three, time that I told you  
That you're the one I just don't need

Don't come back anytime  
I've already had your kind  
This is you pay back  
MoneyGrabber  
Don't come back anytime  
You've already robbed me blind  
This is you pay back  
MoneyGrabber
