It's 6am, spitting grey
Don't know why
I let you treat me this way.
I been holding on.
To your middle finger
But now I know
I gotta pull the trigger

I pick up the pieces
One by one
Put you back together now
Stuff you back in my gun

I got news for you
And it's goin' down
Before you come home and tell me
That you're not angry
I'll be leavin' town
I got news.

The bodies are bathing
In my backyard
There's games being played but I'm holding the cards
The key doesn't work
The number's been changed
I turn off the lights
And I'm lookin' for strange, ohh

I got news for you
And it's goin' down
Before you come home and tell me
That you're not angry
I'll be leavin' town
I got news.

J'ai des nouvelle pour toi
C'est la fin de notre histoire
Tu ma brise le cÅ“ur pour la derniÃ“re fois
C'est vrais
Et maintenant quand je me promÃ“ne dans la nuit
Je regarde la lune et les etoille et les voiture qui passe

Et je regarde tous sans toi

I got news for you
And it's goin' down
Before you come home and tell me
That you're not angry
I'll be leavin'
I'll be leavin' town

I got news for you
I got news for you!
