It's 6am, Spitting grey
Don't know why
I let you treat me this way.
I keep holding on.
To your middle finger
But now I know
I gotta pull the trigger

I pick up the pieces
One by one
Put them back together now
and stuff 'em back in my gun

I got news for you
It's goin' down
Before you come home and tell me
That you're not angry
I'll be leav'in' town

I got News.

The bodies are bathing
in my backyard
There's games being played and I holding the cards
the key doesn't work
the numbers been changed
turn off the lights
and I'm looking' for strange, Ohh

I got news for you
It's goin' down
Before you come home and tell me
that you're not angry
I'll be leav'in town

J'ai des nouvelle pro toi

C'est la fin de notre histoire
tu ma brise le couer pur la derniÃ¨re fois
et maintenant quand je me promÃ¨ne dans la nuit
je vois la lune et les etoille et les voiture qui passe
et je regarde tous sans toi

I got news for you
And It's goin' down
Before you come home and tell me
that you're not angry
I'll be leav'in' town

I got News for You
I Got News for you!
