Forty days and forty nights  
I waited for a girl like you to come and save my life  
All the days I waited for you  
You know the ones who said I'd never find someone  
like you

And you were out of my league  
All the things I believed  
You were just the right kind  
Yeah, you were more than just a dream  
You were out of my league  
Got my heartbeat racing  
If I die don't wake me  
Cause you are more than just a dream

From time to time I pinch myself  
Because I think my girl mistakes me for somebody else  
And every time she takes my hand  
All the wonders that remain  
Become a simple fact

That you were out of my league  
All the things I believed  
You were just the right kind  
Yeah, you were more than just a dream  
You were out of my league  
Got my heartbeat racing  
If I die don't wake me  
Cause you are more than just a dream

You were out of my league  
All the things I believed  
You were just the right kind  
Yeah, you were more than just a dream  
You were out of my league  
Got my heartbeat racing  
If I die don't wake me  
Cause you are more than just a dream

More than just a dream...
