### Verse 1

Felt like the stars fell down before us  
In a dream of you and me  
then a storm came outta nowhere  
Turned my peace to misery.

### Chorus

?Cuz i been runnin? now for days  
Pickin? up the pieces of love  
I'm not so sure it'll go my way  
that's just the price of love.  
I am oh so tired of loneliness  
But the world don't change  
and I can't have you, you've gone away  
You were the reason, you are the reason I stay.

### Verse 2

This fairy tale that you painted for me  
You only see what you wanna see  
But i'm inclined to tell you somethin?

you never show me how you cared for me.

### Chorus

?Cuz i been runnin? now for days  
Pickin? up the pieces of love  
I'm not so sure it'll go my way  
that's just the price of love  
I am oh so tired of loneliness  
But the world don't change  
and I can't have you, you've gone away  
You were the reason, you are the reason I stay.

### Outro

I stay  
The reason i stay

Oh Oh Oh Oh..
