Every man I meet is in a hurry to find a new romance
Always wanna leave the party early, maybe I'd like to
dance
Slowly, if you really wanna know me, take it easy when
you hold me
I might let go
Chorus:
Play it cool, straight and true, look me in the eye
If you want to (want to) talk to me
Take your time, don't be shy, tell me your name
If you want to (want to) walk with me
I'm the kind who waits for something special, instead
of falling too fast
I believe the night is something precious, that's why I
want it to last
So slowly, if you really wanna know me, take it easy
when you hold me
Don't let me go
chorus
What are we gonna do, you look like you're something
new
And I like the way you move
(Solo)
Don't let me go!
chorus
Little by little I let you know
If I want you (want to) to get close to me
(Na na na na, na na na na, na na - want to)
(Na na na na, na na na na, na na - want to) Only if you
want to
(repeats out)
