LOVE IS  
Hard to get  
Impossible to hold  
Straight and narrow  
Like a burning fuse  
In a long cold dawn  
By the side of the road  
A hopeless case  
A perfect thing  
Love is ( love is )  
What you want it to be  
Love is ( love is )  
Heaven to the lonely  
Show me  
What you want me to do  
Cause love is  
What I got for you  
I close my eyes  
Search the stars  
Call for help  
Wake up cold  
You're in my system  
Under my skin  
Raw emotion  
Please don't go  
Love is ( love is )  
What you want it to be  
Love is ( love is )  
Heaven to the lonely  
Show me  
What you want me to do  
Cause love is  
What I got for you  
Can't live on promises  
Won't sleep at night  
Don't understand the things you say  
Till I read them in your eyes  
Got to run on instinct  
Got to go by feel  
Got to trust my senses  
Know it is for real  
Can't live on promises

Won't sleep at night  
Don't understand the things you say  
Till I read them in your eyes  
Got to run on instinct  
Got to go by feel  
Got to trust my senses  
Love is ( love is )  
What you want it to be  
Love is ( love is )  
Heaven to the lonely  
Show me  
What you want me to do  
Cause love is  
What I got for you  
Love is ( love is )  
Love is ( love is )  
Show me
